

Welcome to the Knoxville Explosion Fastpitch Softball Team Website!

Written by Joe Birchfield

The Knoxville Explosion Fastpitch Softball Club is currently comprised of 13 teams (18u Select, '01 Navy, '02, 2022, '05, 2K5, '06, 2024, '07, 2025, 2026, '09, and '10) that have a total of 165 very special players. Players are not only selected based upon skill but also character and desire. Our organization is committed to improving the skills of these special players to not only develop them into the best fastpitch softball players that they can be, but also the best students, friends and reliable, honorable young ladies. Our goal is simple, develop the player to make a meaningful contribution to their schools, communities and future endeavors at the earliest possible opportunity. We only utilize non-paid, volunteer coaches whose interest is only improving our players, not profiting from their desire to play. We offer a highly competitive field of tournament play while minimizing the team fees to make it affordable to play quality travel softball. If you are interested in joining our organization, we invite you to observe our practices and games to see what we teach and how we interact with the players. Tryouts are held in early August each year for the respective teams. If you have any questions regarding one of our teams, please call the Head Coach listed in the important numbers section on the right information section of our website. God Bless and Be Safe!
