The 12u Knoxville Explosion went 6-0 at Frank Lorino Park in Morristown, Tennessee at the ISA Joe Oliver Memorial Classic (5/5-5/6). The tournament field included teams from Kentucky and the northeast Tennessee area and was highly competitive. Excellent defense and pitching resulted in the 12u team allowing a total of 6 runs in 6 games. The bats finally came to life this week and netted a total of 49 runs. Congratulations to the Southern Kentucky Vipers for a strong second place showing! Congratulations girls!
