---

Incredibly blessed with good athletes, fundamental coaches and supportive parents, the 8u, 10u, 12u and 14u Explosion Teams wrapped up a very successful 2012 Season. Our teams not only played for many tournament championships but more importantly, furthered the development of 50 special players. This is the first year that we ventured into an A level schedule and our teams were up to the challenge. Here is how we did as an organization:

Overall Record: 129 Wins, 85 Losses and 3 Ties

Tournament Results:

1st Place Finishes - 10 (including 14u, 12u and 8u SEAA Tennessee Open State Championships)

2nd Place Finishes - 5

3rd Place Finishes - 8

Our teams played teams from 13 different states that included Michigan, Illinois, Ohio, Kentucky, Virginia, North Carolina, Georgia, Alabama, Florida, Louisiana, New Jersey, Maryland and of course, Tennessee. We also played in our first major showcase tournament when the 14u Explosion participated in the Summer Sun Classic in Disney World in June. We are also adding 3 additional teams to our organizational roster in the Fall 2012 with the Explosion Select (14u, 16u and 18u players), 8u Explosion and the '02 (10u) Explosion.

We are incredibly blessed and look forward to a successful Fall as well as Spring 2013! Great job ladies your coaches and parents are very proud of each and every Explosion Player!
