Congratulations to the '02 Knoxville Explosion who finished with the tournament championship in the ISA Magic on the Mountain Tournament held in Crossville, Tennessee on Saturday, April 6, 2013! The '02 Explosion fought off a scrappy Extreme team to take the championship. The '02 Explosion went 5-0 and outscored the competition 43-2! WOW! Also of particular note, we would like to recognize Randy "Roo" Drinnon who launched a grand slam over the fence home run in this tournament, a shot to dead center! Nice job ladies keep up the good work!
