Congratulations to the 14u Knoxville Explosion who won their first tournament of the 2013 Season at the ASA McDonalds Classic held on May 25 at Industrial Park in Cleveland, TN. This tournament benefited the McDonalds house charities as well as being a State of Tennessee and National Qualifier. The 14u Explosion went 4-0, outscoring the competition 39-10 enroute to the tournament Championship. The Explosion faced a very scrappy Dayton Falcons who battled the Explosion every step of the way but fell short in the Championship game. Congratulations Falcons on your second place finish, you guys are a class act. Next up for the 14u Explosion, the USSSA North Florida State Championships in Jacksonville, FL! The competition will be fierce ladies, work hard!
