A shoutout to the Explosion Select, '02 Explosion and '04 Explosion who competed in the USA Eastern Elite Fall Showcase at Warner Park in Chattanooga October 28-29, 2017. Playing in torrential rain, freezing temperatures and snow, all of our teams competed and did very well against some of the top teams in the nation in horrible conditions and represented the organization well! Great job girls, rest up, work hard and be ready to bring in next Spring!
