Atomic Boom! Congratulations to the '06 Explosion, we are very proud of your efforts!!!!

Congratulations to our [#Explosion06](#) ladies for finishing 2nd in the 2019 USFA Tennessee State Tournament held in Dickson, TN! We faced some great competition out of the southeast. We played a total of 9 games in two days outscoring the competition 48 to 24.

We fought our way all the way to Championship play & won game one forcing an "if" game. Unfortunately we came up just short of being State Champs by losing 3-2 to very talented Fusion 06 team from Middle, TN.

Congrats Fusion 06! We look forward to competing with you all again in a few weeks in Panama City Beach, FL!

*Also, Huge Shout out to all the #Explosion06 Dad's. Thanks for all that you do for our girls. Happy Father's Day!
