

'01 Navy Explosion Finishes as a Strong Runner-up in the 18u Wounded Warrior Silver Bracket

Written by Joe Birchfield

Boom! Congratulations to the '01 Navy Explosion who played lights out to finish as the runner-up in the 18u Wounded Warrior Silver Bracket, losing to the '02 Explosion in the Championship game 8-2. The highlight of the tournament was a heart-pounding extra inning victory against the Asheville (NC) Braves in the loser's bracket final to make it to the championship game. Battling extreme heat and fierce competition, mother nature forced the cancellation of Friday's games resulting in a true blind draw resulting in (2) 10 team divisions. Battling several out of state teams from Ohio, North Carolina, Ohio, Virginia and Tennessee the '01 Navy Explosion endured. Outstanding job '01 Navy Explosion, we are very proud of your efforts!
