

A huge shoutout to the 2024 Explosion who made some real noise at the USA East Coast Nationals in the 14u division held in Spartanburg, SC 7-17-20 to 7-19-20! The 2024 Explosion ended up 8th overall out of a loaded field of 30 teams that included the 2023 and '06 Explosion sister teams as well in this division. The 2024 Explosion was the only 13u team to make the top division (Diamond) and lost 2 of their games by 1 run and 1 game by 2 runs. Outstanding progress ladies, the force is strong with this group of coaches and players.
